Agenda item No. 4

Order dated 09.05.2019 of Hon'ble High Court of Delhi W.P. No.(C) No. 2829/2019 in respect of Rishiraj Singh Memorial Society, Habibganj Station, Bhopal (M.P.) for Opening of New H.M.C. in the name of Narayan Shree Homoeopathic Medical College, Hospital and Research Centre, Indore(M.P.).

The Executive Committee took note of the Court Order and discussed the inspection report of Rishiraj Singh Memorial Society's Narayan Shree Homoeopathic Medical College, Hospital and Research Centre, Indore (M.P.) in the light of order dated 09.05.2019 of Hon'ble High Court of Delhi in W.P. No.(C) No. 2829/2019 and decided to recommended for not issuing LOI for starting I-BHMS Course for

the session 2019-20 due to the gross deficiencies in Hospital as well as in the college, as reflected in the report of inspection dated 09.11.2018. Deficiencies reflected in the report of inspection are as under:

1. Valid Consent of affiliation from university is not available.
2. Offer letter issued by the Rishiraj Singh Memorial Welfare Society to 15 teaching staff (05 Professors, 05 Readers and 05 Lecturers) but records of teaching faculty such as certificates of qualification/experience not provided to verify their eligibility and thus suitability for appointment.
3. Dr. Rajbala Dubey, Principal of the proposed college issued the offer letter to all teaching staffs in January 2017, whereas she herself joined the college in September 2017 which creates doubts about authenticity of the documents.
4. Functioning of attached Homoeopathic hospital is doubtful as IPD data for 10 months and OPD data for eight months given instead of last calendar year. Further, Central OPD register is not adequately maintained, Cases of IPD poorly recorded, Cases lack findings of general/systemic examination, advice without investigations and record of findings. Temperature, Pulse, Respiration (TPR) chart not maintained, No advice of diet given. A common register for USG and X-Ray has been maintained which is not appropriate as also does not mention the reports of the patient, which creates doubt about functionality of these departments. Central OPD register mentions diagnosis and medicine which is unusual. OPD and IPD registers do not contain any signature of visiting physicians. Average OPD per day as calculated from available data in the annexure is 180 per day which does not meet the requirement of MSR, 2013.
5. Hospital staffs namely Dr. Arun Mishra, General Surgeon; Dr. Rakesh Parwar, RMO; Dr. Sanjay Singh Solanki, Dispenser; Dr. Deepak Yadav, House Physician; Dr. Kavita Gadhwal, House Physician; Mr. Abhishek Kuswaha, Lab. Technician etc. issued offer letter by Dr. Rajbala Dubey, Principal in 2016 and 2017 much before joining of Principal herself which is not acceptable. Further, the signature of hospital staffs are not matching with the signature at attendance register and joining letter.
6. Hospital does not have functional pathology and bio chemistry labs as per required norms. The college authority has simply submitted a MoU with allied pathology Lab, Indore for Pathological, bio chemistry and radiology (X-ray and USG) in Hospital.
7. Facility of demonstration of Animal experimentation through Audio-Visual Aids not available in department of Physiology.
8. Required No. of models not available in the Dept. of Pharmacy.
9. Required Charts not available in the Dept. of Organon.
