## FORMER PRESIDENT OF CCH PADMASHRI DR. JUGAL KISHORE IS NO MORE

The Indian Homoeopathic Legend and former President of Central Council of Homoeopathy Dr. Jugal Kishore, has passed away in the morning of 24<sup>th</sup> January, 2012. Dr. Jugal Kishore was instrumental in establishing homeopathy in India. His contributions in education, research, clinical practice, policy making and manufacturing of quality medicines were immense and incomparable. It is a great loss to homeopathy.

He was the Vice-President of this Council from 6<sup>th</sup> August 1974 to 5<sup>th</sup> August, 1976 and President from 6<sup>th</sup> August, 1976 to 4<sup>th</sup> February, 1991.

Dr. Jugal Kishore successfully obtained the prestigious D.M.S. qualification from the motherland of Homoeopathy in India under General Council and State Faculty of Homoeopathic Medicine, West Bengal and later on the Council of Homoeopathic Medicine, West Bengal conferred him the Honorary Degree M.D. (Hom).

Dr. Jugal Kishore never intended to be a physician - he had actually appeared for ICS exams after topping the University in his B.Sc. exams. But, call it a quirk of fate; he fell so ill that he was bedridden for almost a year. During this period he stumbled across some books on Homoeopathy. While browsing through these books he happened to read a remedy which he thought might help him. He experimented upon himself for a year & to his delight found himself responding positively to it. Therefore he developed such immense faith in homoeopathy that against his family & friends' wishes he decided to study Homoeopathy. He was convinced that this was his **CALLING & DESTINY** & hence he enrolled himself at The Calcutta Homoeopathic College & the rest, as they say, is History.

Dr. Jugal Kishore started his Homoeopathic practice in June, 1945 from a modest clinic at 12/40 Connaught Circus. Soon a need was felt for better premises & the clinic was moved to Himalaya house at Kasturba Gandhi Marg, New Delhi & then, in the year 1971 to Kanchanjunga Building, Barakhamba Road in the capital of India. For the last almost 30 yrs. he was practicing at 86, Golf Links, which also happened to be his residence.

**Dr. Jugal Kishore has authored a number of books some of which are:**

- Kishore Card Repertory
- Integrated Repertory - Mind and Generalities
- Evolution of Repertories

He also discovered & proved new Homoeopathic remedies & was constantly endeavoring to improve upon the present Homoeopathic Materia Medica & Repertories. Government of India in 2012 awarded posthumously prestigious '**Padma Shri**' to him.

President, Vice-President, Members and officials of the CCH stood in silence for one minute during the General Body meeting of the Council in March 2012 to pay homage to the departed soul.
